

WILLIAM KING
JOHN H. NEWLAND.

MARCH 5, 1840.

Laid on the table.

Mr. CHITTENDEN, from the Committee on Invalid Pensions, made the following

REPORT :

The Committee on Invalid Pensions, to whom was referred the petition of John H. Newland, of Marion county, Indiana, report :

That it appears, from the papers accompanying the petition, the petitioner was placed upon the invalid pension-roll the 7th August, 1835, at the rate of \$2 66 per month. He now prays to be paid from the time he received the injury, for which he now draws a pension (1811), to the date of his present certificate.

There is no testimony, other than that of the petitioner, to show to what extent he was disabled previous to his application, and even the petitioner does not state that he was much disabled, with the exception of the two years preceding his application, as above referred to.

The committee are of opinion that his case is fully provided for by his present certificate, and therefore ask to be discharged from the further consideration of the petition.
